MEMORANDUM TO: DDI Production Board

SUBJECT: Office PROJECTS Related to Soviet Defense Industries

1. Attached are the office responses to the DDI's request at last week's Production Board meeting that each office currently undertaking research on Soviet defense industries indicate the status of that research and a brief synopsis of its scope and format.

25X1A

2. The lists are being prepared to ascertain whether a proposal CPS Issues Officer for Communist Economic Systems, to undertake an interdisciplinary study of Soviet defense industries should be approved. In this regard, please note the recommendations from the D/OWI in his covering memorandum to the DDI.

Attachment: as stated
